What we offer

Talent Management

As a leading human capital solutions provider, we offer highly scalable resource management solutions tailor-made to your HR specific requirements.

Services include: Talent Acquisition & Hiring > Compensation Research & Benchmarking > Onboarding

What we offer

Payroll

Gretis' Automated Payroll solutions are designed in a way to ensure accuracy, reduce time and eliminate errors during payroll processing while staying compliant with the labor laws and regulations with the help of HRMS.

Services include: Salary Processing > Compliance i.e PF, ESI, PT, LWF > Time and Attendance > Leave Management > Reimbursements > Tax Administration & Arrears Management > Loans & Advances > Online Reporting with 24/7 access for HRMS > Employee Self Service > Helpdesk

What we offer

HR Outsourcing

Our outsourcing solutions go beyond the conventional HR practices. We help you gain time-efficiency and reduce overheads by providing technology-driven cutting-edge HR Outsourcing services.

Services include: Handbook and Policies > Talent Acquisition > Payroll Management > Benefits Administration > Regulatory Compliance > Employee Self Service > Service Matters and Litigation-Legal & HR Advisory > Help Desk and more

What we offer

PEO

(Professional Employer Organization)

With a PEO from Gretis, gain access to benefits by outsourcing your administrative and operational tasks through a co-employment model. We manage the entire employment lifecycle from our end while you get more time to focus on your business.

Services include: Co-Employment > Handbook Policies > Talent Acquisition > Payroll > Performance Evaluation > Tax > Benefits Administration > Regulatory Compliances > **Employee Self Service** > Service Matters and Litigation-**Legal & HR Advisory** > Help Desk and more

What we offer

Tax & Compliance

We offer a value proposition with our robust tax administration and robust compliance solutions through accurate record-keeping, on-time filing and deposits, and comprehensive compliance support.

Services include: Tax Returns (form 16/24Q/12A/12B)> Payroll Compliance Management (ESI, PF, PT, LWF, Labour returns)> Shops & Establishments Compliance> Statutory Compliance & Audit

What we offer

Government Contracting

Our government solutions foster lower payroll and operational costs through integrated HR workflow. From recruitment to payroll, and compliance to insurance, we take care of all HR related tasks with due diligence and commitment to excellence. We provide hassle-free solutions to administer and support government projects with digitally transformed HR & Payroll processing.

What we offer

HRMS

Revamping HR to Digitally Advanced HR

A complete human capital solution to drive your business and maximize profitability with the perfect combination of technology and expertise. HRMS is an integrated HR platform designed to take care of the functions related to the employee life cycle in an organization.

With a user friendly interface, Gretis HRMS offers the most scalable and comprehensive human resource and payroll solution to store the entire details of your employees in a single database and integrate it with other processes with an automated workflow.

Our Products

Your One-Stop HR Destination

At Gretis, we bring the best expertise and state-of-the-art technology offerings to deliver highly scalable human capital solutions tailor-made to your HR specific requirements. We streamline your human resource processes with our integrated HR & Payroll solutions to manage the entire employment lifecycle, right from hiring to onboarding, performance to payroll, and benefits to compliance. We make your every minute count.
